**Statement of CPNI Procedures and Compliance**

Clear World Communications ("Clear World") does not use or permit access to CPNI to market any telecommunications or non-telecommunications services. Clear World has trained its personnel not to use CPNI for marketing purposes. Should Clear World elect to use CPNI in future marketing efforts, it will follow the applicable rules set forth in 47 CFR Subpart U, including, if necessary, the institution of operational procedures to ensure that notification is provided and customer approval is obtained before CPNI is used or disclosed.

Clear World has instituted training procedures and a corresponding disciplinary process to ensure that its personnel understand and comply with restrictions regarding the use and disclosure of, and access to, CPNI. Requests for CPNI by law enforcement agencies are only granted if a subpoena is provided or if the customer provides written permission.

Clear World maintains a record of all instances where CPNI was disclosed or provided to third parties, or where third parties were allowed access to CPNI.

When a customer calls to discuss their account, requesting access to CPNI, the company requires verification of at least three (3) identifying pieces of information to ensure the company is discussing the account with an authorized individual.
